Card Playing Information

The Potawatomi Inn Bridge Tournaments are in the form of “Party Bridge.” A folder containing the Rules and Scoring will be handed out at the time you check in. *This information will be emailed or mailed at any time upon request.*

We will make every attempt to have an even number of teams for each tournament. If this is not possible, one team will sit out each round of the tournament play. The team that sits out will automatically score 800 points for that round of tournament play.

If you know of anyone who might be interested in filling in at the last minute in an emergency, we would appreciate receiving his/her name, phone number and email address. We will do everything we can to have an even number of teams.
